

CameraMatics how-to guides

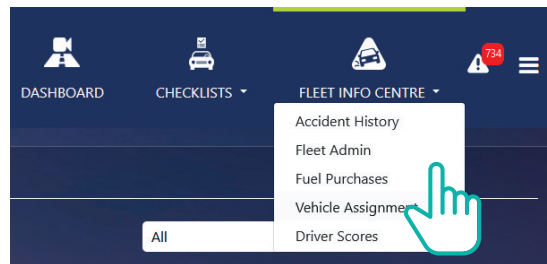

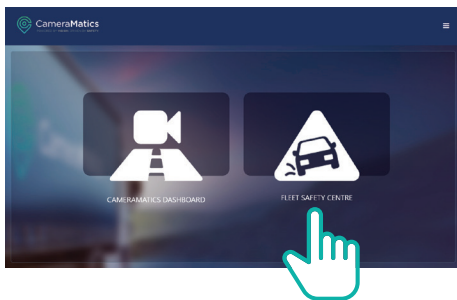

Follow these steps to unassign drivers from vehicles

Drivers may need to be unassigned from their vehicles.

A vehicle can be unassigned from a driver in the following ways:

Fleet Manager to unassign Driver/s manually through CameraMatics Portal:

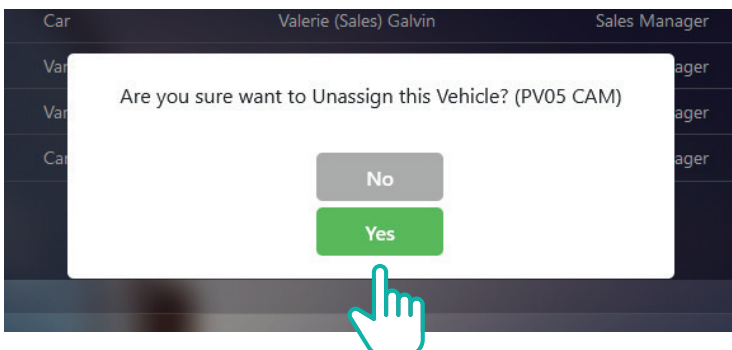

1. Log into CameraMatics Portal.
2. Click 'Fleet Info Centre' and select 'Vehicle Assignment'.

3. Driver list will open where you can see which drivers are assigned to their vehicles.
4. To unassign a driver, select the vehicle or multiple vehicles and press the **Unassign** button.

Current Assignments					Past Assignments
Vehicle	Vehicle Type	Driver	Fleet Manager	From	Unassign
PV05 CAM	Car	Ciaran (Sales) Murphy	Sales Manager	09/03/2021 14:31:49	
YH67 OUF	Car	Valerie (Sales) Galvin	Sales Manager	04/03/2021 12:55:28	
DY69WHF (JP)	Van	Jon Payne	Sales Manager	15/01/2021 12:26:59	
191D31610 (SP)	Van	Stephen Portch	Sales Manager	07/12/2020 08:04:55	
GJ63PCV	Car	Steve (Sales) Warne	Sales Manager	10/11/2020 05:48:35	

5. Confirm that you wish to Unassign the selected vehicle/s.

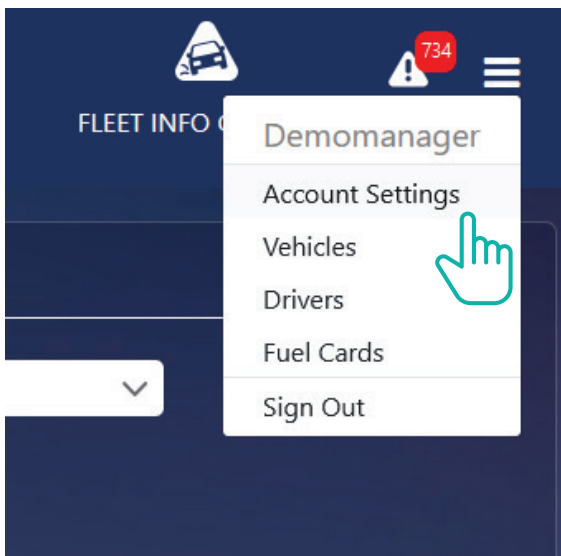

6. A window will appear confirming that vehicle/s were unassigned. Press ok.

Enable/Disable Driver from Unassigning themselves from Vehicle

A Driver can be given permission to unassign themselves from a vehicle or be blocked from carrying out this function if it is to be controlled by the Fleet Manager.

1. If a Fleet Manager wishes to allow a driver the permission to unassign himself, select the '**Enable**' button.
2. If a Fleet Manager wishes to block a driver permission to unassign himself, select the '**Disable**' button.

3. Once preferred option is selected, press the **Save** button and a pop-up window will open to confirm that settings have been updated.
