

How to Use the Map View

The map gives a view of your entire fleet across a region. In addition, the colour indicates the status of each vehicle.

To view the Map View, select Map View from the left-hand menu.

You can Search for a specific vehicle by selecting the Arrow to bring out the entire list of your fleet.

If you click on a vehicle from the map view you will see a mini dashboard of that vehicle.

IRE HEAD OFFICE

Unit 20A Beckett Way,
Parkwest Business Park,
Dublin 12,
Ireland. D12 P8R2

This dashboard shows live data coming from the vehicle. It also includes live widgets as follows:

- **Vehicle Detail** – This will have more details on the vehicle
- **Driving Events** – This will show any driving events that the vehicle has occurred during a specific time frame
- **Faults** – This will show any faults with the CameraMatics system installed
- **Live Streaming** – This will show the live streaming from the cameras on the vehicle
- **Retrieve Media** – This will allow you to pull footage from a date and time you want
- **Tracking** – This will show you a variety of tracking reports for this vehicle
