

How to View Speeding Events

To view speeding events, first click on speeding events in the left-hand menu.

You will see a list of all speeding events in the left-hand side menu. From here, you can click on any event for more detail.

At the top of this list you can also filter this list by event type. For example, you can limit the view to events of a certain severity, such as 20% or over the speed limit.
